As students from all streams are eligible to choose BA under choice based credit system this year students can opt for varied combinations

CGC team has identified final year students entering into

1. Higher education
2. Career
3. Entrepreneurship

CGC focuses on two major areas:

1. Research and internship
2. Higher educational opportunities

In order to screen the best students ,institutional level screening tests are conducted by head office , with the support of CGC team in the college.

Major internships are:

1. International cultural exchange (ICE) in collaboration with Association of students in economic and commercial sciences (AIESEC) which is the world's largest youth run organization
2. Summer undergraduate research fellowship (SURF) . It is to inculcate research interest among the students during undergraduation at
 - Center for human security studies(CHSS)

- Azim premji university (APU)
 - Tata institute of social sciences (TISS)
3. Winter Internship (Girl Impact Volunteer Exchange – GIVE) with Chezuna in Karnataka.
 4. CCIP – Community College Initiative Program
 5. UGRAD
 6. Life Skills camp

Coaching camps are planned for the selected students in institutional level screening tests the following coaching camps are conducted on regular basis by the Head office

1. CAT – Common Admission Test
