The Grievances and Redressal Cell

The college maintains a suggestion/ Complaints box through which the students express their grievances related to personal/ Academic/Administrative. The suggestion box would be opened periodically in the presence of Principal, Vice principal and student council members. All the grievances are recorded and necessary action would be taken up by the principal.

As it is mandatory to have a grievances and Redressal Cell in HEIs as per UGC guidelines, it was decided to set up a grievances and Redressal Cell in May 2023. The Cell comprises of Principal, Vice Principal and 4 faculty members. 1. The two tier system resolves all personal ,academic and administrative complaints
