# SWACHHTA PLEDGE

Mahatma Gandhi dreamt of an India which was not only free but also clean and developed. Mahatma Gandhi secured freedom for Mother India. Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time towards this. I will devote 100 hours per year that is two hours per week to do voluntary work for cleanliness. I will neither litter nor let others litter. I will initiate the quest for cleanliness with myself, my family, my locality, my village and my workplace.

I believe that countries that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen. With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other persons to take this pledge which I am taking today. I will make them devote their 100 hours of cleanliness.

I am confident that every step I take towards cleanliness will help in making my country clean.

placed the symbol of Swachh Bharat Abhiyan on a sand art installation along the Sabarmati Riverfront. While visiting an exhibition displaying the Swachhata journey, Prime Minister Narendra Modi warmly embraced Chandrakant a pensioner who gave up his 30% of his pension towards building toilets. It is people like him who made the movement a jalandolan. P.M gave the nation the next Swachhata challenge... to make India single use plastic free by 2022.

"Cleanliness is Godliness"  
- Mahatma Gandhi

एक कदम स्वच्छता की ओर

The Swachh Bharat Abhiyan has been started by the thoughts of Gandhiji because Gandhiji had dreamt before independence that our country should also be clean like foreign countries but due to some reason the dream could not be fulfilled. Therefore, Honorable Prime Minister Shri Narendra Modi took inspiration from Gandhiji's ideas and started this campaign on his 45th birthday. Narendra Modi had set a target to complete this campaign and be aimed to clean the whole of India. In this he had urged every Indian

that they join this campaign and clean up the areas around them. In order to make this campaign a success, he has selected important and effective people of the country to spread the propaganda.

Thank you Respective madam or Sir for giving  
this beautiful opportunity to write essay about  
"SWACHHATHA" A Tribute TO MAHATMA GANDHI.

once again happy Gandhi Jayanti to all.
