6.3.2: Percentage of teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the last five years.

### **POLICY DOCUMENT**

#### **Objectives:**

- To encourage teachers to attend conferences, workshops and Faculty Development Programmes regularly in their subject.
- To facilitate the faculty to update with recent and contemporary knowledge and bring the same to their classroom.
- To provide ON DUTY for the faculty to attend such programmes.
- To allow the faculty to attend online FDPs and Webinars in the College premises providing Wi-Fi facility.

As the College comes under Telangana Social Welfare Residential Educational Institutions (TSWREIS), all the financial assistance for the faculty to attend such programmes is provided from the Head Office itself. The Higher Education Wing of the head office sponsors and nominates our teachers for various FDPs, workshops and conferences. However, the faculty are allowed to claim TA DA for attending such programmes.

Training programs at Marri Chenna Reddy Institute of Human resources Development (MCRHRD) and UGC-HRD, University of Hyderabad will go on a regular basis. TSWREIS organizes School Leader Convention for training the school and college Principals & Vice Principals every year. The financial support extended to each teacher and each college cannot be determined as there are 30 Degree colleges functioning under the umbrella of TSWREIS.

There are MoUs with various training institutes by the Head office. The training division at Head Office plans and executes such programs from time to time. Head office brings out circulars with the names of teachers nominated with the details of program, date and venue. The proof of such circulars is provided.
